

# RS1800-P

## Petrol Driven Rotary Screw Compressor

**18hp (12Kw)**  
Motor Power

**1982 L/min (70 cfm)**  
Air Delivery

**5-8bar (72-125 psi)**  
Operating Pressure

### Description

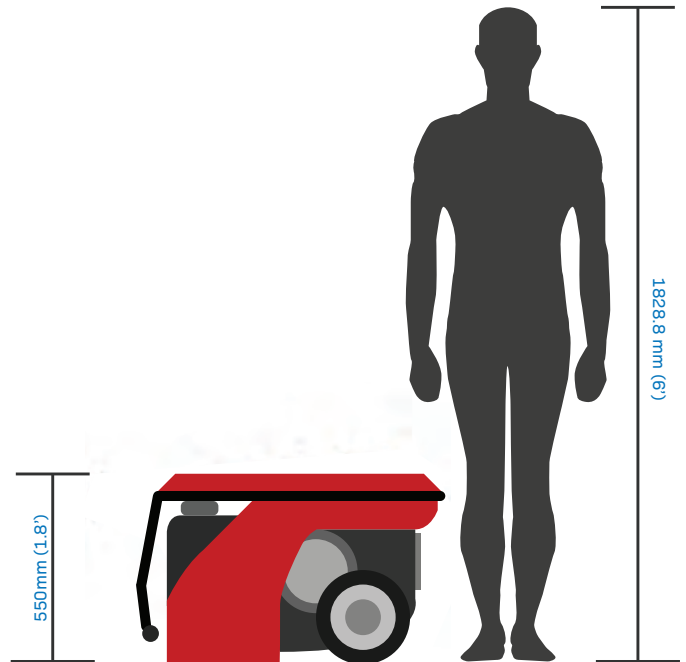

Focus Pneumatic's RS1800P overcomes noise regulations, access problems and avoids extra road costs. Its small form factor and fold away handle makes manourving the worksite easy.

The Honda V-Twin engine delievers enough power to handle any job site task.

### Features

- Continously variable idle control
- Constant air flow & pressure
- Removable petrol tank for refueling
- Rugged constuction
- Honda V-Twin OHV engine
- Will operate 41kg (90lb) breaker

### Applications

- Contractors
- Construction
- Municipalities
- Hire Companies

 **Designed & Made in Fance**

**Powered by HONDA**
