

# COMPACT SPECIAL

SMALL, POWERFUL,  
HANDY COMPRESSOR

# Compack Special

## Small, Powerful, Handy Compressor

- HIGH EFFICIENCY**
- HEAVY DUTY DESIGN**
- COOLING SYSTEM**
- HIGH EFFICIENCY IN A SMALL SPACE**
- LOW NOISE**
- RAPID AND ECONOMIC MAINTENANCE**

**VMC ROTARY SCREW**

**100% DUTY CYCLE**

Compack 2 special is the screw compressor with the smallest pumping unit on the market. Thanks to the electronic controller K-Tronic 5 is equipped with all the features typical of bigger sizes machines by managing the load/unload cycles automatically.

Available versions on 2,5 lt, 90 lt tank and Air Trolley with single and three phases motor.

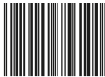

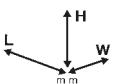

\* Performances measured according to ISO 1217, annex C, latest edition.

\*\* Noise level measured according to ISO 2151.

**On Ground**

**On Tank 90 Lt**

**Air Trolley**
