Chieftain Tank Mounted Variable Speed Screw Compressor

MODEL FC200-50V

- Highly effective insulation and cabinet design ensure the compressor operates quietly, ideal for noise-sensitive areas
- The 1-micron filtration ensures clean compressed air supply and prevents damage occurring to tools and machinery
- Oversized cooling system and silent axial flow fan ensures accurate and powerful temperature control
- Compact design ensures minimal footprint with maximum quality compressed air
- Electrical cabinet IP54 class protection
- 2 year warranty

SPECIFICATIONS
